| **LONG MY DISTRICT** | | | | | | | | | | |
| 1 | Võ Thị Thu Uyên | 02/06/2003 | 11CB1 | Luong Tam High School | Excellent | | | | 2020 | Uyen was born in a poor household of 4 members, including: her grandmother, her father, her younger brother and she. Her mother died recently in August 2020 due to sickness. Her father is a seasonal worker with low and unstable wages. In addition, he has osteoarthritis so he can't do any heavy work. Her younger brother is a student at grade 6.<br>In her free time, Uyen does par-time job to earn some money to share the financial burden with her father. She said: "I hope that after finishing 12th grade, I will pass the entrance exam to the Military University to dedicate for the protection of my country's security and people |
| 2 | Danh Thị Đang | 05/02/2002 | 11CB2 | Luong Tam High School | Good | | | | 2020 | Dang was born in a poor household of 5 members, including: her parents, her older borther, her younger brother and she. Her parents are both seasonal workers. Her father has osteoarthritis and is under treatment. Her older brother is a migrant worker in Ha tien province. Her younger brother is a student at grade 8. The family's income is so low that they are able to cover only for their basic needs. They recently have a loan from the bank. Thanks to the scholarship that will help Dang to complete her secondary education. She wishes to study at Can Tho College. |
| 3 | Phan Thị Thúy Quyên | 23/01/2004 | 11CB2 | Luong Tam High School | Good | | | | 2020 | Quyen was born in a poor family of 5 members, including: her parents, her 3rd grade younger sister, her four-year-old youngest brother and she. Her father, who has many health problems, works as a mason. Her mother is a nanny. The total income of her parents is about VND 3 million/month (equivalent to $130) that is hardly to cover for the basic needs of a family of 5 people.<br>Thanks to the scholarship, Quyen will be able to complete her secondary education. She wishes to be enrolled in Van lang University |
| 4 | Phan Thị Huỳnh Bân | 03/09/2004 | 11CB4 | Luong Tam High School | Good | | | | 2020 | Ban's family is a poor household. Her parents, who used to be farmers, are migrant workers in Ho Chi Minh City with the hope to earn more money than what they could get from the field. However, their wages are only about VND2 million/month (equivalent to $87) that is hard for them to afford for the educational expenses for their two children, including Ban and her 6th grade younger brother. As they work far away from home, they have to leave their children at home with their old parents.<br>Ban wishes to have enough money to complete her seondary education and be able to study at the People's Public Security University. |
| 5 | Huỳnh Nguyễn Như Ngọc | 2004-01-18 | 11TN1 | Tay Do High School | Excellent | | | | 2020 | Ngoc's father died when she was a small kid. Her mother, who is a street vendor, raises her up since then.<br>Thanks to the scholarship that shares the financial burden on Ngoc's mother's shoulders. She now has favorable condition to compelet her secondary education without worrying about the educational expenses. |

| | | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|
| 6 | Nguyễn Ngọc Thảo | 2004-03-12 | 11TN1 | Tay Do High School | Excellent | | | | 2020 | Thao's parents divorced years ago when she was a small kid. She lives with her grandparents since then in a family of 4 people, including: her grandparents, her uncle and her counsin. Her grandparents are both farmers.Her uncle is also a farmer; and her cousin is at grade 2. Well aware of the hard work her grandparents have to do to raise her up Thao always tries her best at school and achieved excellent academic results. In the 2018-2019 academic year, she achieved 2nd prize at the provincial level history contest. Ngoc wishes to complete her secondarty education and be able to pursue higher education so she can become a good doctor in the future. |
| 7 | Phạm Thị Huỳnh Như | 2004-01-19 | 11TN1 | Tay Do High School | Excellent | | | | 2020 | Nhu was born in a family of three people. Her father died when was just 6 years old. Her mother works hard to raise her and her older sister since then. Her mother is currently a migrant worker with low wages in Ho Chi Minh City. Her older sister is a farmer. Thanks to the scholarship that lessen the financial burden on her's mother's shoulders. Nhu now can focus on her study. |
| **NGA BAY CITY** | | | | | | | | | | |
| 8 | Nguyễn Đỗ Bá Thu | 12/09/2004 | 11A4 | Nguyen Minh Quang High School | Good | | | | 2020 | Thu was born in a nearly-poor household of 4 members. Her parents are both farmers with very low incomes. They also work as seasonal workers in their free time to earn some extra money to raise their two children. Thu's younger brother is a student at grade 6.<br>Thanks to the schoarship, Thu will be able to focus on her study as her parents do not have to worry about her educational expenses. |
| 9 | Lý Kim Thanh | 21/4/2003 | 11A2 | Nguyen Minh Quang High School | Good | | | | 2020 | Thanh's father died years ago. Her mother is a street vendor to raise her three children since then. Thanh's older brother, who is a seasonal worker, married and has a small kid. Her older sister, who is blind, cannot work and relies on her mother.<br>Thanh hopes to have enough money to cover for her educational expenses until she compeltes grade 12. She wishes to be enrolled in Can Tho University so that she will have a good job after graduation to take care of her mother and her older sister. |
| 10 | Võ Thị Ánh Hồng | 08/12/2004 | 11A3 | Nguyen Minh Quang High School | Excellent | | | | 2020 | Hong's father died years ago, leaving her and her younger brother to her mother. Her mother sells lottery tickets on the street. Her younger brother is a student at grade 8. Thanks to the scholarship, Hong can focus on her study and will try her best to achieve good academic results to be worthy of this support. |
| 11 | Nguyễn Lê Phương Ngân | 21/01/2004 | 11A1 | Nguyen Minh Quang High School | Excellent | | | | 2020 | Ngan's poor family includes of 4 members. Her parents are both farmers. Her younger sister is a student at grade 1. Thanks to the scholarship that shares the financial burden with her parents and enables her to continue her study. |
| 12 | Nguyễn Thị Huế Trân | 2004-12-09 | 11A2 | Le Quy Don High School | Excellent | | | | 2020 | Tran's father died. Her mother works as a cleaner at a primary school. Her older sister completed her secondary education and currently works as a worker to share the financial budern on her mother's shoulders. Her younger sister is a student at grade 2. Tran always works hard at school and achieves excellent academic results. She also works part time in the evening at the children house of Nga Bay Town to earn some money for her educational expenses. Thanks to the scholarship that gives her more strength to try harder for her future. |
| 13 | Lê Thị  Ngọc Hân | 2002-12-14 | 11A4 | Le Quy Don High School | Excellent | | | | 2020 | Han's father is a single father to raise her up. Her mother left when she was very small. Her father got into an accident and was injurred atht he cannot do any other works rather then selling lottery tickets on the street. His income harly covers enough for the basic needs of the family and Han has to skip meals many times. She doens't have enough money to pay for tuition fee either.<br>Thanks to the scholarship that enables her to continue her study. |

| | | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|
| 14 | Huỳnh Thị  Cẩm Tú | 2002-12-14 | 11A8 | Le Quy Don High School | Good | | | | 2020 | There are four people in Tu's family. Her parents are migrant workers in Ho Chi Minh City, leaving Tu and her younger sister at home on their own. Their home was built by the local authority's budget long time ago and is now no longer good enough for them to live in. Tu and her sister have to rent a room nearby the school to facilitate their daily commuting. They are both at risk of dropping out of school because due to their family's financial issue.<br>Thanks to the scholarship that Tu now can focuses on her study. |
| 15 | Nguyễn Thị Phương Thùy | 2004-03-30 | 11A2 | Le Quy Don High School | Good | | | | 2020 | Thuy's poor family includes of 5 members. Her 74-year-old grandmother has many health problems. Her parents are both farmers with low income to raise their two children. Her older sister is an univerity student. Thanks to the scholarship that enables Tu to continue her study. |
| **PHUNG HIEP DISTRICT** | | | | | | | | | | |
| 16 | Phạm Ngọc Hân | 2004-04-12 | 11T3 | Tan Long High School | Excellent | | | | 2020 | Han's poor family includes of 4 members. Her parents are both street vendors with low and unstable income to raise Han and her younger brother, who is a student at grade 8. Han's dream is to become an agricultural engineer. |
| 17 | Dương Thị Thanh | 16/7/2004 | 11T5 | Tan Long High School | Good | | | | 2020 | Thanh was born in a poor family with many siblings. Her parents are both seasonal workers with low and unstable income to raise their 4 kids. Her older brother is currently working as a seasonal worker, too. Her two younger brothers are students (one at grade 3 and the other at grade 1). Thanks to the scholarship that creates favorable condition for her to focus on her study. |
| 18 | Lương Như Ngọc | 17/11/2004 | 11A1 | Luong The Vinh High School | Excellent | | | | 2020 | Ngoc's parents divorced. Her father remarried and lives far away. He only sends Ngoc VND100,000/month (equivalent to $40) for her educational expenses. Ngoc lives with her mothers and her pgrandparents. Her mother is a seasonal worker. Her grandparents, who are old and sick, still have to sell lottery tickets on the street.<br>Thanks to the scholarship, Ngoc can continue her study. |
| 19 | Cao Thị Mỹ Dung | 2004-06-02 | 11A3 | Luong The Vinh High School | Good | | | | 2020 | Dung's parents divorced. She lives with her mother and her older brother. Her mother is a seasonal worker. However, she has many health problems and the whole family relies on her older brother, who is also a seasonal worker.<br>Thanks to the scholarship, Dung is able to continue her study. |
| 20 | Huỳnh Bế Nhi | 28/11/2004 | 11A2 | Hoa An High School | Good | | | | 2020 | Nhi's parents are farmers with low income to raise their three kids. Her older brother is at grade 12. Nhi and her twin sister are both at grade 11. The family has had many financial issues.<br>Thanks to the scholarship that Nhi can use it to pay for her educational expenses and lessen the financial burden on her parents' shoulders. |
